

Assignment #05 – MATH 1401
Spring 2006

Kawai

Name: _____

- Attach this cover sheet to this assignment.
- Use engineering pad paper! Please leave some room for corrections/comments!
- Give enough information about the problem so that the grader does NOT need to refer back to the text!
- Do not leave fractions inside of fractions in your final answer!
- Turn in the following:
 - Section 2.6: #30, 32.
 - Section 2.6: #36. [You might want to check the answers to Problem #35 first.]
 - Section 2.6: #44.
 - Section 2.6: #48. Do you remember our discussion on substituting something like $u = 6x$, as $x \rightarrow 0$?
 - Section 2.7: #4, 8, 10, 18, 20, 22, 25, 30, 38, 64.
