

MATH 2421-001 MathZone Update
Summer 2007

Tennenhouse

- (#1) Per the syllabus, you may elect to complete the MathZone activities at www.mathzone.com and earn extra credit (course percentage points!) toward your course letter grade. You may have an unlimited number of attempts on the first Quiz. Typically, there are 3, 4, or 5 questions from each textbook section. You may have 3 attempts at each section quiz. (You have an unlimited number of attempts on the first one!) MathZone *should* record your best attempt. (If there is a problem, then PLEASE print out the result and contact Mike Kawai at Mike.Kawai@cudenver.edu. Be aware that there is a deadline for each section quiz.
- (#2) Log on to www.mathzone.com. Select our textbook “Smith/Minton Calculus: Concepts & Connections”. Enter your Student Access Kit code, or buy one for \$20.00. The correct section enrollment code is: **839-7F-397**. It should say “MATH2421 Summer2007 (Tennenhouse)”.
- (#3) You can also sign up for “NetTutor” if you would like to chat with on-line tutors about our homework problems!
