

- The **MERC Lab** is located on the first floor of the **Science Building** in **Rooms 130 & 132** [SI 130/132].
- The Science Building is located just south of the North Classroom Building, where you probably attended an orientation session, and settled accounts with the UCD Bursar's Office. The **Student Success Center** [formerly, the Academic Advising Center] is located in **NC 1503**.
- The Science Building is also located behind the Auraria Library. If you have a Student I.D. card, then park in **Lot R**, adjacent to the Athletic Fields. Else, you must park in the Visitor Lot near the Tivoli Student Union.
- The **Math Department** offices [(303)556-8442] are located on the 6th floor of the CU-Denver Building, located across Speer Blvd. on the corner of 14th Street and Lawrence Street. If you need a signature for enrollment and Mike Kawai is not available in the MERC, please go there!
